

Political Party X Limited

9 June 2024

Some political parties in the UK have been criticised for allegedly not being a political party but in fact a limited company. To address this, we have compiled the follow. This list is not exhaustive, is accurate at the time of publication and is in no particular order.

In the UK, political parties often establish limited companies for various operational and financial purposes. These companies handle aspects such as fundraising, media operations, and campaign logistics.
